We Are Blessed

We are thrilled to announce that Jeanne Bittner's estate has bestowed a very generous monetary gift to BFCC! We are so very blessed indeed! The Board welcomes feedback from the Congregation regarding how this money will be allocated, specifically how much should be included in the Pastoral Fund

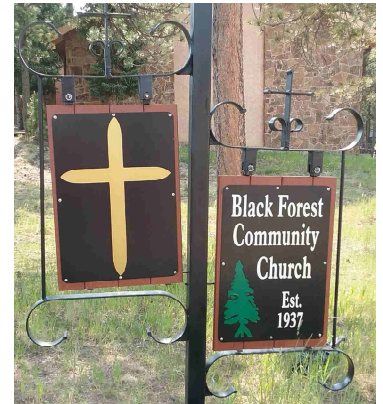

VBS Update

Join us this Sunday, June 25, during our regular worship service to see the kids sing the songs they learned during VBS and find out more about what they did during the week.

Signs

Please take a moment to notice the beautiful BFCC signs which have been refurbished by Jon McGrew and Family! They are beautiful!!

Tom Putney would like to start a Men's Ministry. He and Jon McGrew have shared ideas in the past, and now is the time to get started.

Please contact Tom at tomp1171@yahoo.com or text 659-4001 if you are interested and or able to meet on a Tuesday evening this month (time and place depends on input from respondents).

Ruth Ann

Is recovering and regaining her strength and mobility at The Center @ Cordera, 9208 Grand Cordera Pkwy, CS, CO 80924. Cards and letters are always welcome! Please be sure to note

her name and room # 331 on the envelope. You can also call, 522-2000, just ask for her room #. If you would like to visit call first and ask about it.

Farewell

Nancy Jacobson has made the very difficult decision to end her organ/piano playing for BFCC. While it is good and right for Nancy and her family, both she and her music will be missed! And so, we wish her a very fond farewell, thank her greatly for her time with us, and wish her God speed and all the best as she moves into a new season in her life.

Preschool Needs

Liese, our new FSP Director, is already bringing her own unique flair and creativity to the preschool program! As she is settling in and preparing for the new school year there are some things she needs:

A good, cross-cut paper shredder.

A couple of old-fashioned, wood-slat sided wagons.

Missions Corner

Missions Ministry is working with TLC Pharmacy (The Lord Cares) in Colorado Springs. TLC Pharmacy is a Non-profit pharmacy operated by a dedicated team of volunteers who are dispensing help & hope for low-income, uninsured Patients by providing access to medication and education.

They are open Monday, Wednesday, and Saturday from 9:00 am to 1:00 pm, and Tom Putney is currently volunteering 4 hours per month. They are associated with Open Bible Medical Clinic.

Please visit tlcpharmacy.org and openbiblemedical.org if you are interested in volunteering for or learning more about these local missions.
